DONATE TIME

The San Francisco Disc Golf Club is a 100% volunteer organization. The club is responsible for all maintenance and upkeep of the Golden Gate Park Disc Golf Course. We are also planning on constructing a second course in San Francisco in McLaren Park. All donations go directly to the promotion of Disc Golf in San Francisco. The club hosts work parties on the first Saturday of even numbered months from 8am - 1pm.

Please use the space below to let us know how you could help the club. The SFDGC is an all volunteer organization. Installing the new courses and running the club will require help from many types of people. If you know about construction, landscaping, fund raising, publicity, art and design, etc., please let us know!
