GGPDGC Course Rules (TDs may specify rules that differ from below)

General

- There are several Out-of-Bounds (OB) areas defined using peeler core logs. In all cases, the inbounds edge of the peeler core is the OB line; if there is string, #2. On or across path beyond fairway is OB; then it is the OB line
- For gaps between peeler core, project a line between the nearest two sections
- On or across major paths is OB
- On or across the side-walk to the left and behind Holes 17 & 18 is OB
- Marx Meadow is out of bounds (primarily in play on holes 11, 15, and 16) o Defined by peeler core and trees; inbounds edge of either is the line
- Mandatory flight paths on Holes 7, 11, 14, 16, and 18
- The 2-meter rule is in effect; set your mark below the disc & add a 1-stroke penalty to your score
- Rulings to be made by the group; benefit of doubt goes to the player!
