## COVID-19 Disc Golf Rules

### Distancing Protocols

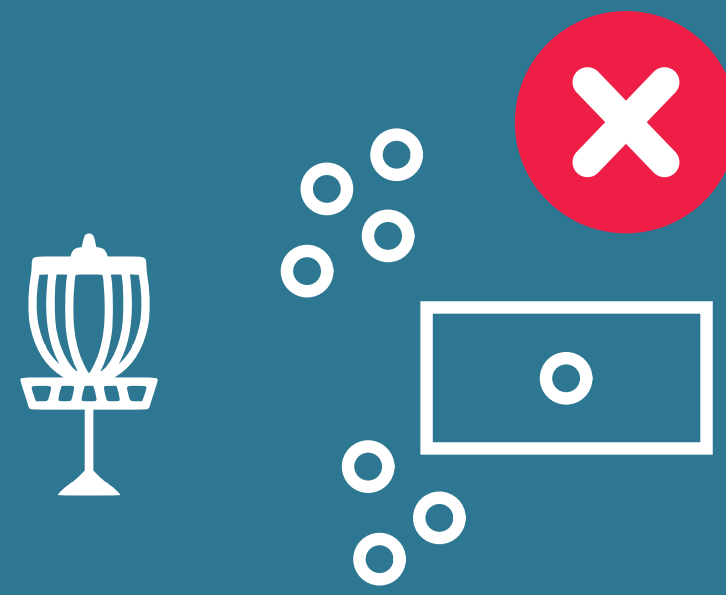

#### Wait In Marked Areas

While waiting at tee #1, use the provided markings to maintain physical distance.

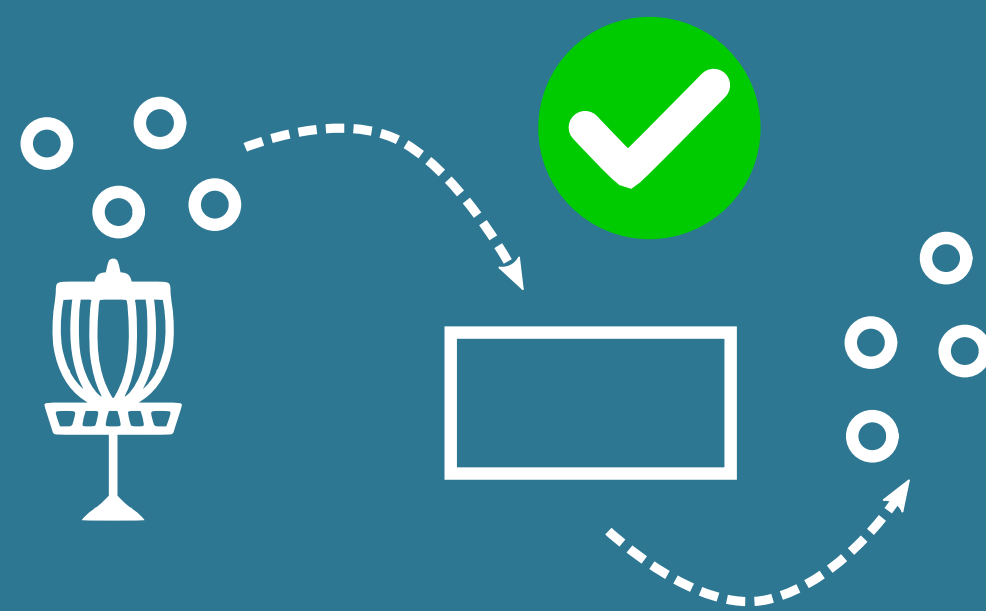

#### Don't Congregate At Tee Pads

After each hole, WAIT on the green until the next teepad is clear. DO NOT approach the next teepad until the group ahead has moved away.

#### Don't Loiter

If you're not waiting to play, please clear the area.

#### Please Start Only At Hole 1 And Play Holes In Order

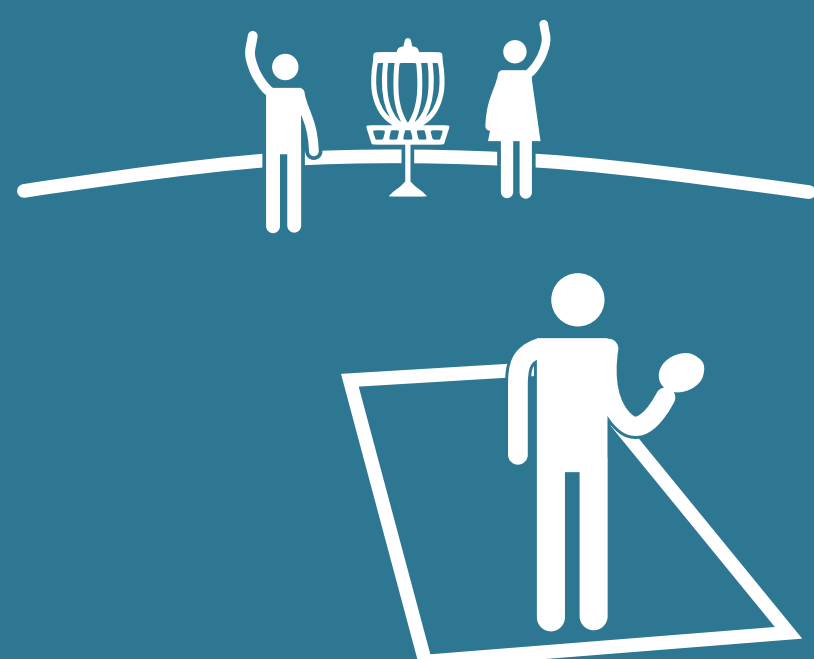

Playing holes out of order can cause backups and frustration for groups that end up behind you.

### COVID Etiquette

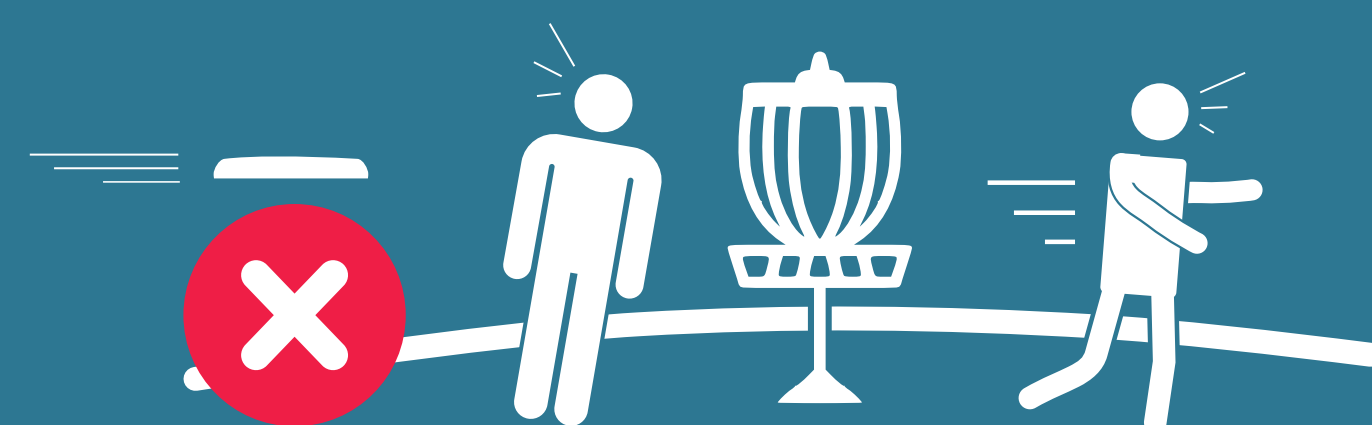

#### Stay Visible To Other Groups

Make sure the group behind can see you on the green while you wait for the next teepad to clear.

#### Don't Throw Until Green Clears

DO NOT tee off until the group ahead has cleared the green.

#### COVID SAFETY:

If you're not feeling well, stay home!

If you have been in close contact with someone confirmed to be infected with COVID-19, stay home!

Practice good hygiene: Don't touch your face. Wash your hands and / or use hand sanitizer.
